COMMENTS FROM THE TOWN MANAGER'S OFFICE

The town reports are ready to mail and I should get them in the mail by Thursday or Friday of this week. The reports are sixteen pages shorter this year than last year. The school report is much shorter than usual and the warrant is about three pages shorter this year than last year. The supply of reports is limited so please save your report and bring it to town meeting. Copies of the town report are not sent to non-resident taxpayers unless requested. There are a few extra copies of the report that can be obtained at the town office.

Excise tax payments have continued at a very steady rate. A total of 891 excise tax payments had been made at the close of the day on Tuesday. Last year a total of 885 excise tax payments were made by the end of February. I expect that the number will increase to just over 1,000 for this year.

The situation at the West Bethel Village Water System has not been remedied yet. The water pressure has been maintained at about 25 pounds. One of the pumps is not working right and some repairs will have to be made. The selectmen and I have spent a great deal of time on the water problem at West Bethel. Unfortunately the amount of time and effort have not relieved the problem. The income from the system is not large enough to justify a large expenditure but on the other hand the only proper solution to the problem will take quite a lot of money.

Five hundred fifty-three voters cast their ballots at the special election Monday (318 No; 234 Yes; 1 spoiled ballot). That is a very good showing for a special election. The vote for town officers will probably be very small this year because there are no contests.

Michael Houllihan

The Afternoon Circle of the W. S. C. S. will meet at the home of Mrs. Leona Flint on Thursday, March 3. Mrs. Sarah Stevens is in charge of the program.

Mrs. Charles Wiley and family of Somers, N. Y., and Mrs. Dick Robie and family of Mills, Mass., are spending this week visiting Mr. and Mrs. Kimball Ames.

Week end guests of Mr. and Mrs. Alton Luxton were Mr. and Mrs. George Stowell and family of Falmouth, Miss Jane Luxton and Dianne Brausa of Auburn.

Father Charles Nelson who has been a patient at Brunswick Naval Hospital, was transferred on Friday to the Chelsea Naval Hospital for further examination and treatment.

Tommy Chadbourne and cousin, Dick Kilborn, of Long Neck, N. J., both students at Bates College, Lewiston, were at the home of Mr. and Mrs. P. H. Chadbourne this past week on vacation.

Mr. and Mrs. Harvey Jones of Lewiston, Mrs. Robert York and Julie of Boothbay Harbor, were guests at the home of Mr. and Mrs. Seymour Butters and Mrs. H. I. Bean on Wednesday.

Mr. and Mrs. Vernon Rollins of Mechanic Falls, Phyllis MacKay of Springfield, Mass., and Larry Ranslow of Longsadow, Mass., were Sunday visitors at Rodney Eames' and Blake MacKay's.

Mrs. Doris Bryant entertained the Afternoon Bridge Club on Wednesday. Those present were Ruth Brewster, Caroline Brooks, Viola Luxton, Pearlina McMillin, Sally Ramage, Edith Rowe, and Louise Lincoln.

The Rural Letter Carriers held their annual meeting Sunday, Feb. 20, at the Madison Hotel in Rumford. They met for dinner with the business meetings following in the afternoon. The new officers are: President, Ashley Saunders of Hebron, Vice President, Omer Richard, of West Peru, Secretary and Treasurer, Frank Campbell of Canton. Those attending from Bethel were Mr. and Mrs. Earl Davis, Mr. and Mrs. Ronald Kendall and Clayton Bane.

"YESSES" CARRY OXFORD COUNTY IN MONDAY REFERENDUM

A 1,025 vote "yes" margin in Rumford spelled the difference in the Oxford County outcome of Monday's statewide Sunday liquor referendum, as 10,374 voters went to the polls and returned a "yes" verdict by 320 ballots.

Rumford's total of 1,736 in favor, 769 against, offset an individual town edge of 23 "no", 10 "yes", and two draws. Greenwood polled 86 votes on each side, while Magalloway Plantation returned seven apiece.

Towns registering "No" votes and the margin of differences were Andover, 100-71; Bethel, 318-234; Buckfield 127-57; Canton, 89-59; Denmark, 76-44; Dixfield, 203-232; Hanover, 57-21; Hartford, 47-34; Hebron, 80-31; Hiram, 123-76; Lincoln Plantation, 15-5; Newry, 18-17; Oxford, 183-147; Paris, 621-415; Porter, 187-84; Stoneham, 34-26; Stow, 14-8; Sumner, 91-26; Upton, 10-5; Waterford, 77-70; West Paris, 218-111; Woodstock, 164-106; Peru, 134-123.

Towns voting "Yes" and the winning edges were Brownfield, 53-48; Byron, 18-9; Fryeburg, 101-129; Gilead, 20-15; Lovell, 70-54; Mexico, 665-419; Norway, 431-425; Roxbury, 41-18; Rumford, 1,736-769; and Sweden, 18-10.

Out of a total of more than 200,000 ballots cast throughout the State the question was defeated by about 1,700 votes.

SCHOOL DISTRICT BUDGET APPROVED AT FRIDAY MEETING

A budget calling for an appropriation of \$331,000 was approved by voters at the first annual budget meeting of S. A. D. #44 last Friday at Bingham Hall, Gould Academy, with an attendance of about 150.

A breakdown of the total budget of \$680,100 was made by Sup't. of Schools Horace P. Maxcy as follows:

Administration, \$29,500; Instruction, \$333,200; attendance, \$100; health, \$600; pupil transportation, \$47,500; operation of plant, \$33,700; maintenance of plant, \$15,300; fixed charges, \$7,100; student body activities, \$800; capital outlay \$33,000; debt service, \$11,300; outgoing transfer accounts (tuition) \$177,000.

He estimated other receipts would be \$349,100 including state subsidy, 1965 balance and other fees.

Each town's share as required by statutes is Andover 20.8%, \$68,180; Bethel, 42.8%, \$141,163; Greenwood, 19.2%, \$55,312; Newry, 5.2%, \$17,312; Woodstock, 10.2%, \$33,622.

Claude Blanchard of Andover was elected moderator of the meeting.

Following adjournment of the official meeting, Richard Melville of the Curriculum Committee, and Lester Bickford of the Building Committee outlined plans for the new school program and construction. Also Harvey McGuire of the Finance Committee spoke to the group.

CORRECTION

In the list of Budget Recommendations by the Bethel Budget Committee in last week's issue the Garage Maintenance Account was inadvertently omitted. The amount of 1965 had available, by appropriation, \$2,000.00 with expenditures of \$1,527.43. The 1966 Budget lists a recommendation for \$2,000.00. The amount recommended for Memorial Day should be \$180.00.

Dick Ramage of Bethel is home this week on vacation.

SECOND ANNUAL BETHEL WINTER CARNIVAL A WEEK AWAY

Saturday, March 5, will be the fullest day of the Greater Bethel Chamber of Commerce Winter Carnival program, but Friday evening, March 4, and Sunday, March 6, offer plenty of fun, too.

On Saturday, skiers will have chances to race at either Mt. Abram or Sunday River in preliminaries of the All-Carnival Family Ski Race. A family team includes three related persons, one of which must be a parent, and one female, and one under 10 years of age. Top five teams at each area in the prelims will compete in the finals at Mt. Abram on Sunday, March 6, at 11 a. m.

"Just for fun" skiers may enjoy skiing at either area any time Saturday or Sunday under the interchangeable ticket system.

Then, the skiing spectator may enjoy watching youngsters compete in a Class III or IV USEASA sanctioned race at Sunday River, Saturday morning.

Snowmobile fans are far from forgotten—Saturday is also their day. Registrations start at 8:30 a. m. for the 1:00 p. m. race. Registration closes at noon, so come early. The place Mile-Away Farm, just a little way off Route 2 near the Norrman Inn, Races on several classes, including a Powder Puff derby will bring cash prizes to the first three placers in each class race.

To register by mail, contact Ernest Angevine for an entry blank. Mr. Angevine is race chairman, and will be assisted in race management by members of the Bethel Snow Twister Snow Kart Club. Club members will provide free rides from 11:00 a. m. to race time. Lunches may be obtained on the premises.

Warren Miller's "Swingin' Skis" will be shown in Bingham Theater, Gould Academy, at 8:00 p. m. Saturday March 5. Advance ticket sale for the movie closes at 4:00 p. m. that afternoon. Five young ladies all skiers, are vying for the title of Carnival Queen and the winner will be determined on the basis of tickets each girl sells for the show prior to 4 p. m. The Coronation will be held before the start of the movie.

STUART BLAKE INJURED DURING ACTION IN VIET NAM

On Monday Warren Blake received a letter from his son, Sgt. Stuart Blake, and also a telegram from the U. S. Marine Corp., stating that Stuart was injured on February 12 in the vicinity of Quang Njao Province, Viet Nam. The telegram reads in part: "He sustained fragmentation wounds both fore arms while participating in an operation against hostile forces. His condition and prognosis are excellent. He was treated in the field and returned to duty."

Stuart stated in his letter that he was hit four times but, because of the excellence of his flack jacket, received injury from only one burst of fire. His address is Sgt. S. W. Blake 1625905, 4th Marines, Co B (Reine) 3 Engr. Bn., c/o FPO, San Francisco, Calif. 96601.

starting at Sunday River summit, and answered at the top of Mt. Abram, will officially open the carnival on Friday evening. Shortly after, at 7:30, a torchlight parade, again led by Uel Gardner, features a corps of expert skiers who will wind their way down the mountainside in a series of colorful maneuvers.

To warm up after watching the parade, a dance for the public will be held at the Locke Mills Town Hall. Recorded music for every taste of dancing will be provided.

Sunday's scheduled activities conclude with the Final race at 1:00 p. m. But before that, a free pancake breakfast for anyone who wishes to attend will be held at both Mt. Abram and Sunday River lodges until 9 a. m. Just before breakfast is served, an open air church service will be held at 7:45 a. m. at each location.

After breakfast family fun costume parades will give another opportunity for everyone to participate. Prizes will be awarded in all categories.

Mrs. E. J. Hinchey has spent the past month with Mr. and Mrs. Guy Gibbs and family. On Friday Mr. and Mrs. Guy Gibbs, and family, with Mrs. Hinchey will visit Mr. and Mrs. Alan P. Turner in Attitash, Mass., where Mrs. Hinchey will remain for two weeks before returning to Blue Hill.

MEXICO DEMOCRAT TO SEEK STATE SENATE SEAT AGAIN

State Senator Donald R. O'Leary, Democrat of Mexico, has announced that he will seek re-election to one of the two Senate seats from Oxford County.

Mr. O'Leary, a native of Mexico, is a graduate of Mexico High School, class of 1941. He is a veteran of WW2 having served three years in the U. S. Naval Air Corps after graduating the Naval Air Training School at Chicago, Ill. He also served three years in the Maine National Guard. An hourly paid employee of Oxford Paper Company for the past 15 years, he is employed in the Quality Control Dept. He is a member of the American Legion, Post No. 24, American Legion, N. E. Oxford County Fish and Game Protective Association, Forester's Order of Eagles, Aerie No. 1245 and a Social Member of Club Le Porteur, Rumford. He is married to the former Marion Brown of Rumford and they have six children.

State Sen. Donald R. O'Leary

As a member of the 1961 Maine Legislature, Mr. O'Leary served as a Representative from the Mexico and Bethel District and was appointed to the Committee on Veterans and Military Affairs. As a Senator from Oxford County in the 1962 Legislature, he was assigned to the Committee on Veterans and Military Affairs and later appointed Chairman of the Committee on Labor.

Prior to the convening of the 1962 Legislature, Mr. O'Leary, along with Senator Alfred Smith of Bethel and the late Rep. Sam Little of Rumford, was assigned to the drafting and preparing for presentation of labor legislation in accordance with the pledges of the new platform. Such as Minimum Wage, Workmen's Compensation and Workmen's Compensation Laws changes, which were enacted into law.

Recently because of his record of accomplishments as Chairman of the Labor Committee, Senator O'Leary has been mentioned as a possible candidate for nomination to the post of Commissioner of Labor and Industry. There are no indications that he either seeks this post or that he would accept the nomination.

In announcing his candidacy for re-election, Mr. O'Leary said that he has enjoyed serving in both branches of the Legislature and has proven his ability and know how to secure passage of legislation that is

GOV. REED TO SEEK RE-ELECTION

Governor John H. Reed announced Wednesday night that he will seek re-election. Mrs. Reed joined the Chief Executive in making the statement.

The text of the Governor's statement follows:

Many of you know that for the past several months I have been formulating a decision concerning my future and the future of my family.

I first entered public service in 1953 as a Representative to the Maine Legislature. At that time I accepted a firm responsibility to those who elected me. I believe now as I did then, that I would have to completely dedicate myself to the task of working for all of the citizens of Maine regardless of party. My door has always been open to all Maine people. In my travels throughout the state I have enjoyed meeting and becoming acquainted with many thousands of you. This is a cherished memory.

As Maine's Governor I am pleased to hold the additional posts of Chairman of the National Governors' Conference and Chairman of the New England Governors' Conference.

George Washington once noted, "Experience is the surest standard by which to test," and throughout the nation men are hired, given promotions and named to prominent posts because of their experience.

Our state has entered a new

BETHEL AND VICINITY

Beth Sargent, daughter of Mr. and Mrs. Lewis Sargent left for Glen Ellen, Vt. this week on Wednesday where she is doing in the Pastors Jack Brooks is at present doing in the New England at Lyndonville, Vt. and will join Beth on Friday and stay in the Easters.

This Sunday evening will be the last of a series in the School of Missions at the Methodist Church. A box lunch will be held at 6 o'clock before the final session. Rev. and Mrs. Richard Hamilton of South Portland were guests last Sunday evening when Rev. Hamilton gave the message.

Louise Pomeroy was at home from Boston over the holiday week end and had as guest Sybil McIntyre of Buxton. Bonnie Pomeroy is at home this week from Bethel, Maine. Bonnie took Louisa back to Boston on Tuesday and went on to Guilford, Conn. and is returning home today (Thursday).

The Methodist Men held their 1965-66 meeting on Monday with supper and guest speaker, Arthur Goble, Jr. of South Portland, who is a member of the Oxford County Economic Opportunity Council. He spoke of the Mental Health Clinic which they have in the Rumford hospital and plan to have in Norway and Bridgton.

Beneficial to a large majority of the citizens of this State as well as to the citizens of my own County, I feel that I can even better serve the voters of Oxford County in the next Legislature. If I am successful in my bid for re-election, I intend to seek one of the major positions of leadership in the State Senate.

SEN. MUSKIE REPORTS

Congress is considering two proposals which would have a significant impact on Maine. The first is an amendment to the Small Business Act to guard against depletion of SBA loan funds. The other is a bill to end the trading of potato futures on the mercantile exchange.

Because of several recent natural disasters across the country, the Small Business Administration loan fund is depleted. This means that 69 eligible applications for loans to small businesses in Maine cannot be funded.

It also means that the Small Business Development Center program cannot be fully implemented. One such center for Cumberland and York Counties has been funded. But another eligible application, submitted by Aroostook County, remains unfunded.

I testified this week in support of legislation to correct this inequity. The legislation would break down the present single SBA loan fund into three separate funds.

This would mean that loans to small businesses in Maine would be guaranteed by the federal government. During the past few years substantial economic and social gains have been made, and I have tried to make my full contribution toward the prosperity we have achieved.

I am grateful to the people of Maine for the faith and trust they have placed in me.

Our future is exciting and challenging. I am eager to take part in this dramatic and productive chapter of Maine history.

For all of these reasons I am anxious to continue serving as Maine's Governor.

We want to thank all of our many friends and supporters who have encouraged us to make this important decision, and we pledge to them and to all Maine citizens, our best efforts toward the full development of all of the many potentials of this great state.

small businessmen in natural disaster areas would come from a fund just for that purpose. It would mean that regular SMA loans would not be jeopardized by unforeseen disasters.

The SBA has done a good job responding to the needs of disaster victims. But it makes poor business sense to meet the needs of one group at the expense of another.

I will continue to work to see that this injustice is corrected so that eligible Maine businessmen as well as disaster victims can both benefit from the SBA program.

Maine potato futures continue to be traded on the mercantile exchange, and Maine farmers continue to be hurt by this.

I have introduced legislation in the Senate to end this trading. Congressman Hathaway has introduced companion legislation in the House.

Both of us testified in support of our legislation this week before the Subcommittee on Domestic Marketing of the House Agricultural Committee.

Here is why I oppose potato futures trading:

It has discouraged Maine potato farmers from establishing an orderly marketing program. This results in rapid price fluctuations which often do not reflect true supply and demand.

Only Maine potato farmers are affected by futures trading. Potato futures trading is not carried on anywhere else in the country.

Trading tempts the farmers to roll back their shipments to markets. This can result in the delivery of poor quality potatoes because they are a perishable commodity.

Maine's potato farmers have consistently and overwhelmingly voted to end futures trading.

Congressman Hathaway and I will continue our work to end this injustice to Maine's potato farmers.

20 SECONDS WITH THE NAZARENE

I cannot know why suddenly the storm should rage so fiercely round me in its wrath; But this I know—God watches all my path, And I can trust.

I may not draw aside the mystic veil That hides the unknown future from my sight, Nor know if for me waits the dark or light; But I can trust.

I have no power to look across the tide, To see while here the land beyond the river; But this I know—I shall be God's forever; So I can trust.

ROUGH FIRST YEAR CAUSE MANY TO QUIT TEACHING

The schools are losing talented teachers because too many beginners have a rough first year in the classroom, according to a committee of the Maine Teachers Association.

The Committee on Teacher Education and Professional Standards (TEPS) has launched a campaign to discover the problems that face beginning teachers and recommend ways to solve them. "We want to give the beginning teacher the kind of help that will give him a successful, satisfying year and make him want to continue in the profession," said Mrs. Mary Coombs, Bangor Junior high school teacher and chairman of the TEPS committee.

For some beginners the first year is a nightmare of discipline problems and confusion about school policy. Because they are low man on the totem pole they may get the toughest classes—the ones that nobody else wants. They are not sure what is expected of them or where to turn for help.

In contrast there are schools where beginners get special attention, where an older teacher is assigned to help them, and where they are shielded from a head-on collision with the school's toughest discipline problems.

"We want to find out the dimensions of the problem," Mrs. Coombs said, "and especially to find out what practices are really helping the beginning teacher and then give them wide publicity."

The TEPS committee has launched the program with a questionnaire to 500 beginning teachers, their older colleagues, school superintendents and college placement bureaus inform.

TEPS COMMITTEE WILL BE LAID BEFORE SIX MEETINGS TO BE HELD IN DIFFERENT PARTS OF THE STATE IN APRIL

The meetings, sponsored by the TEPS committee, will bring together both beginning and experienced teachers, education students now in college, and school administrators.

"We believe that widespread discussion of the problems of the beginning teacher will save some of the potentially good teachers who now become first year drop-outs," Mrs. Coombs said. Dates and locations of the six meetings will be announced later this month.

Members of the TEPS committee are Joseph Fox, president of Fort Kent State College; Professor Paul Hazellon, Bowdoin College; Thurlow Pitts, principal of Ellsworth High School; Miss Roberta Rogers, Falmouth; Theodore Johnson, Portland; Supt. Bruce Kinney, Rockland; Dr. Robert York, Gorham State College; Forie Ramsay, South Portland; Morton Hamlin, Wilton; Professor Alpheus Sanford, University of Maine; Mrs. Ernestine Savage, Northeast Harbor; Hayden L. V. Anderson, director of Professional Service, State Department of Education; Mrs. Elizabeth Jonille, Lewiston; Supt. Richard Ladner, Lisbon Falls.

GOULD SECOND IN STATE SKI COMPETITION

Athletes from Edward Little High School made an amazing comeback in Saturday events to overcome a Gould Academy edge assumed Friday and retained the State Class A Boys' Skiing Title. The Aburn and Bethel teams wound up even in whole points and Edward Little leading in percentage points 49 to 39.

Third honors went to Rumford, fourth to Mexico, fifth Farmington, and sixth Kents Hill. Lee Buotte, Rumford, won the meet skimeister title with a total score of 380.21. He was first in giant slalom and second in slalom Friday and carried off fifth place in cross-country and 10th in jumping Saturday.

Greg Cunningham of Rumford won Saturday's jump at Tilcomb Slope, Farmington, Jim Miller of Mexico, first in cross country, was the second jumper.

Mexico swept cross country with Rumford second at 96.05 points, Edward Little gaining with 94.09 to 99.52 for the Bethel second. Then Rumford won the jumping with 94.9 and Edward Little gained further on Gould, landing second at 94.85. Mexico had 94.32 for third with Gould fourth at 91.27.

Final totals were thus 376.49 for F. L., 378.39 by Gould for the two days. Summaries:

CHRISTIAN SCIENCE TO OBSERVE CENTENNIAL

Plans for a year-long observance of the one hundredth anniversary of Christian Science were announced today by The Christian Science Board of Directors of the Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

Major events will include a worldwide public speaking tour by the Editor in Chief of The Christian Science Monitor, publication of a new book titled "A Century of Christian Science Healing" and the start of work on a new "Church Center" construction program.

The Centennial stems from events in 1860 which marked the turning point in the life of Mary Baker Eddy and began her pioneering of a world religious movement.

A spiritual healing which Mrs. Eddy experienced in 1860 turned her life-long study of the Bible into an intensive searching that produced the earliest manuscripts on Christian Science. She became convinced that Christianity is a scientific and applies to every aspect of human experience.

Later, she wrote the Christian Science textbook, "Science and Health with Key to the Scriptures," and founded a church which now includes 8,200 branches in more than 80 countries.

Centennial activity within the church will come to a focus at the Annual Meeting in Boston on June 6 and 7. The church will begin that day for construction of an expanded 15-acre Church Center, while members gather to consider the church's progress and spiritual mission.

Throughout its century of development, Christian Science has continued to be a lay movement of people dedicated to restoring a divine healing ministry to Christianity. They believe this can be done on a sound, permanent basis as a necessary first step toward fulfillment of Christianity's larger purpose—spiritual healing of mankind.

Three times will be marked during the year: the centennial of the church's founding, the centennial of the church's founding, the centennial of the church's founding.

One highlight will be the speaking tour of the world's major cities by Edwin H. Conham, Editor in Chief of The Christian Science Monitor. His talk on "The Spiritual Revolution" is intended to further the broadening of Christianity among religious and non-religious alike. The tour will start in London, England, on March 5 and will extend through most of the world during the year.

In April will come the publication of "A Century of Christian Science Healing," which is expected to be of wide interest. The book will provide a chronicle of the development of spiritual healing from church records. It will include an explanation of the difference between spiritual healing and current methods of psychotherapy and psychoanalysis.

The book is described as a contribution to the renewed interest and efforts within the traditional Christian churches to develop a spiritual healing ministry and exercise the full power of Christianity as a central force in human development.

An event from the book will be included in a special Centennial observance of The Christian Science Monitor scheduled for June 10. The observance will feature articles on the church's current trends in national affairs, religious communications media and university campuses.

Also read for the Centennial year will be a number of new books to the church's design of church publications.

Officials are looking upon the Centennial observance primarily as preparation for the second century of Christian Science. They feel that the concepts of the religion contained no revolutionary changes during the first 100 years and will be made widely and readily understood in the years ahead.

The healing of a severe injury in 1860 was in Mrs. Eddy's own words the turning point that led to the discovery of the truth.

BERLIN SKI JUMPING, SUNDAY—The Berlin Nansen Ski Club will play host to a number of top Scandinavian and Western jumpers during the forthcoming jumping event to be held this Sunday (Feb. 27) at the Berlin (N. H.) Ski Jump. Over 60 top jumpers will be competing in the event which is being held on the 60 meter jump (above). At 101 feet high, the structure is the highest steel jump in the United States.

Amongst the jumping competitors will be last year's Junior National Champion Adrian Watts of Duluth, Minnesota. Accompanying Watts and also from Duluth, will be Kenneth Haw-

king, Joe Smith, and David Lundmark—all considered top Western jumpers.

Two of Finland's most promising jumpers, Kello Laiho and Harri Jusselainen, will also compete. Norway is sending two former Junior National Champions—Frank Kallow and Per Coucheron. The participants will be practicing jumping throughout the day Saturday with the actual meet being held Sunday at 1:00.

The banquet and awards presentation will be held Sunday evening at the Costello Motor Inn. Officials estimate that well over 10,000 spectators will witness the jumping meet.

ing occurred as she read one of Jesus' healings in Matthew's gospel and the experience began to put a new light on everything she knew as a Christian. She became convinced that the Principle underlying the life and teaching of Jesus is fundamental to existence itself—"the divine Principle of all real being."

She once summarized the concept in this way: "We must learn that God is infinitely more than a person, or finite form, or creature, that God is a divine Whole, and All, an all pervading Intelligence and Love, a divine, Infinite Principle, and that Christianity is a divine Science" (Miscellaneous Writings).

This is a basic premise of Christian Science. And spiritual healing is considered to be one of the natural outgrowths when the individual begins to commit himself to working out his life from the standpoint of this premise.

At first, Mrs. Eddy and the early students of Christian Science had hopes that these teachings would be readily accepted into the established Christian churches of which most of them were members. But as controversy continued to surround the new movement, they voted in 1870 to organize a church of their own. Designed to commemorate the word and works of our Master, which should restate principles of Christianity and its lost element of healing. Over the next several decades, a structure of church organization and government was evolved that has remained permanent.

A Church Manual written by Mrs. Eddy provides the general framework with a five-member Board of Directors in Boston to conduct the business of The Mother Church.

Within the framework of this Manual, complete local self-government is provided for each of the individual branch churches. They elect their own officers, set up their own by-laws and make all their own decisions by a vote of their own members.

One thing that remains universal in the Church is the form of the worship service. Since the Church has no ordained clergy and is a movement composed entirely of laymen, it was early established that the function of the Pastor would be filled by the Bible (traditional Protestant version) and the denominational hymnals.
